Background and Purpose

The event requiring this regulation will begin at 8 P.M. on July 4, 1997. The fireworks display will occur within a 1000 foot radius around the launch barge off Pensacola's Pit Slip Marina, Pensacola Bay. The fireworks display will terminate at 10 P.M. on July 4, 1997. This regulation is issued pursuant to 33 U.S.C. 1231 as set out in the authority citation for all of part 165.

Regulatory Evaluation

This temporary rule is not a significant regulatory evaluation under Executive Order 12866 and is not significant under the "Department of Transportation Regulatory Policies and Procedures" (44 FR 11040; February 26, 1979). The Coast Guard expects the economic impact of this rule to be so minimal that a full regulatory evaluation is unnecessary. This regulation will only be in effect for a short period of time, and the impacts on routine navigation are expected to be minimal.

Collection of Information

This rule contains no collection of information requirements under the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*).

Federalism

The Coast Guard has analyzed this rule under the principles and criteria contained in Executive Order 12612 and has determined that it does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment.

Environment

The Coast Guard considered the environmental impact of this proposal and concluded that under section 2.B.2. of Commandant Instruction M16475.1 (series), this proposal is categorically excluded from further environmental documentation. A Categorical Exclusion Determination is available by contacting Commander (mps), Eighth Coast Guard District, 501 Magazine Street, New Orleans, LA 70130-3396.
